

Dirty Rice

**2 cups short-grain rice (I use brown, but white will do, as well!)
2 tbs. red curry paste
1 tbs. olive oil
2 tsp. sea salt**

Preparation time: 2 minutes

Cook time: 45 minutes

Serves 4-6

1. Boil 4 cups water in a large pot. **DO NOT RINSE RICE**, and place in boiling water. Cover, reduce heat to low, and cook for about 45 minutes, or until water is completely absorbed.
2. Remove from heat, and while rice is still hot, stir in red curry paste, olive oil, and sea salt with a fork until each grain is coated.
3. Serve it up! Should be sticky, slightly spicy, slightly salty, and delicious. :)
